Austin Galano Club Policies

Here are the current Board approved policies

Service Animal Policy

Our goal is to ensure a safe, comfortable, and accommodating environment for all our guests, including those with disabilities who rely on the assistance of service animals.

Service Animals Only: The Austin Galano Club only allows service animals on the property. Service animals include dogs that are individually trained to do work or perform tasks for the benefit of an individual with a disability. Please note that emotional support animals and pets do not qualify as service animals. Service animals are welcome to all areas of the Galano Club where guests are allowed. All service animals must be kept on a leash or working harness and be the control of a handler at all times. If the service animal is not leashed, harnessed, or causes disruptions, the handler may be asked to remove the service animal from the property temporarily and/or permanently. The handler is responsible for any injuries, damages, or disturbances caused by the animal. While not required, we appreciate if service animals can be identified through a vest, ID card, or other indicators. This helps our club manager and volunteers recognize the service animal. If you have any questions or need assistance regarding our service animal policy, please do not hesitate to contact us at (512) 765-5405 or info@austingalano.org

Code of Conduct Policy

Thank you for visiting. In order to provide a safe and enjoyable experience for all guests. No Trespassing. The clubhouse is a privately-owned property. Guests who do not act responsibly may be asked to leave the property. The following activities are prohibited and will be viewed as trespassing:

- * Violations of the law
- * Any activity that threatens the safety of guests or tenants
- * Any activity that damages or defaces the property
- * Any activity that disturbs a safe recovery based environment
- * Any activity that would disrupt the operation of meetings

For further assistance, please contact the Club Manager at (512) 765-5405. Dial 911 immediately in case of emergency.
